Your school's journey...

Welcome to the Somerset Cricket Board Schools Offer. This booklet details the Cricketing journey we can take your school through, how to go about doing so, and the continual support we will provide your school!

Launch Assembly

Primary Schools have the opportunity to receive an assembly all about the 'Spirit of Cricket', with a potential visit from a Somerset CCC Cricketer! Assemblies are interactive and finish with a dramatic 'Ashes' competition.

Coaching (Curriculum and Extra-Curricular)

A coaching workforce of more than 25 coaches are deployed across the county. State Primary, Secondary and SEN schools have the opportunity to access high quality curricular or extra curricular coaching sessions tailored to their pupils needs.

Competitions (Indoor & Outdoor)

A range of competitions allows Secondary Schools access to both indoor and outdoor formats, which take less than an hour to complete. Primary schools can access our ever popular kwik cricket competitions in the summer term.

... to a Sporting legacy

Links to Local Clubs

Thanks to our strong relationships with cricket clubs across the county, we can signpost young cricketers to their local club to enable them to flourish in the game. This is just part of our successful player pathway. This year alone over 800 girls and boys will trial for our district teams, thanks to nominations received from schools and clubs throughout Somerset.

Teacher Training (Formal & Informal)

We understand that delivering any new sport for the first time can be daunting. This is why we offer both formal and informal training to teachers and young leaders through CPD workshops and/or the shadowing of our coaches at your school's sessions.

Match Day Experience

Our flagship day for all schools across Somerset gives up to 100 pupils from every school the opportunity to come and watch a game of professional cricket at the county ground. A range of other activities are also available on the day including 'give cricket a go' workshops, bat making demos and a schools' parade during the lunch interval.

New Schools

Thanks to Chance to Shine support schools receiving cricket coaching for the first time, are able to access this free of charge.

Established Schools

Schools who have previously received Chance to Shine coaching are encouraged to make a voluntary donation of £5 per hour for any coaching received. This is reinvested directly into schools coaching in the county.

Your Cricket Ambassador

BECOME A CRICKET AMBASSADOR

It is the Cricket Board's aim to have an ambassador in every School driving the sport and the enjoyment it provides. With coaching being a limited resource we are looking to sustain delivery throughout schools whether coaches are available or not.

The coaches delivered innovative, fun lessons that enabled my class to enjoy sessions and show clear progress from week to week. Following the sessions, the knowledge and support from the coaches has enabled me to confidently deliver cricket lessons. I would highly recommend them to everyone'
